

Pet Policy: Sun Harbor Marina

No pet is permitted on the Marina's premises unless the Marina Manager meets and approves the presence of such pet, in advance.

Before any approved pet shall be permitted on the Marina's premises the Owner shall first provide the Marina Manager with the following:

- (a) a photograph of the pet; and
- (b) a writing identifying the type and breed (if any) of the pet, and the license number (if license is required for the pet) and identity of entity issuing the license.

Unless actually aboard Owner's Vessel, all pets must be attended at all times and shall be on a leash or in a cage during transit. No pet may be tied or otherwise secured to any part of the premises. Owner shall endeavor to prevent pets from defecating or urinating on Marina premises. If a pet fouls the premises despite the Owner's efforts to prevent it, Owner shall immediately clean the area and properly dispose of waste. Marina shall be the sole judge of whether owner's efforts to control animals and pets are adequate. Animals may not be left unattended aboard Owner's vessel for any period exceeding 12 hours.

Any violation of this Rule pertaining to pets while on the Marina's premises shall be deemed material, and in such event Marina may immediately terminate any authority granted permitting the pet on the premises and/or immediately terminate the Owner's Contract for Private Wharfage.
